ocep@unavozunida.org

Visit: <http://ocep.unavozunida.org>

Learn about Ector County I.S.D. governance and how it works. Understand the role of the Superintendent and the Board of Trustees. Learn about Federal Programs, Student Assistance and the importance of parental involvement in schools and with your student.

The Odessa Civic Engagement Project is a project of Una Voz Unida of Odessa, a non-partisan, non-connected, 501c4 Non Profit organization. The Odessa Civic Engagement Project mission is to empower citizens by increasing their participation in the American democratic process. We do this by providing education in local and county government, networking with other organizations, mobilizing voters, providing training and community information. Contact Project Coordinator Art Leal at (432)349-1280
